1 Toyota Commemorative Museum of Industry and Technology

A participatory museum established by the Toyota Group. The museum is housed in a red-brick factory from the Taisho Period (1912 to 1926) that remains at the birthplace of the Toyota Group. The museum features many textile machines and Toyota's very first passenger car. You could "see", "surprise", "learn" through the dynamic exhibitions and diverse demonstrations, and enjoy with the entire family.
